

We are thrilled to announce that on **April 24, 2026**, Finn's Fighters will host our **7th Annual “Dream Big” Gala — Keys of Courage**. This year's theme reflects the role music, hope, and resilience play in helping our families find courage to move forward, even in their hardest moments.

Since its founding in 2019, Finn's Fighters has been dedicated to raising awareness of pediatric cancer and providing meaningful support to families in the Tampa Bay area impacted by a childhood cancer diagnosis. As pediatric cancer diagnoses continue to rise locally and across the nation — with **47 children diagnosed every day in the U.S.** and **1 in 5 families already living at the poverty level** — your support has never been more vital.

Because of the generosity of our community, Finn's Fighters has proudly served families through financial grants that help cover **rent, mortgage payments, gas, food, and other essential expenses** during treatment.

This year marks **six years without our sweet Finnley Gray** — a brave Tampa Bay first grader who battled Ewing Sarcoma for 17 months before passing away at just six years old. While we miss him deeply, we continue to honor his life through the hope and impact created in his name.

Your support has helped us expand our reach and strengthen vital programs, including:

- **Finn's Food Program**, which provides regular hot meals to inpatient families each week.
- **Emergency Grant Program** increased need for emergency assistance for utilities, housing and more
- **Mental Health Services**, supporting parents, siblings, and caregivers with counseling and emotional care.

Looking Ahead: Expanding in 2026

With your continued partnership, we are excited to grow our impact even further. In the coming year, Finn's Fighters will:

- Expand the Finn's Food Program from **two to five days a week**, reaching more inpatient families
- Broaden mental health services to include enhanced bereavement care and support beyond the hospital setting
- Increase family supports, including house cleaning, childcare, gas, and travel assistance — helping families stay close to their child throughout treatment

The **7th Annual Dream Big Gala “Keys of Courage”** will be an elegant evening filled with inspiration and philanthropy — featuring **dueling pianos**, dinner, a live auction, and exciting fundraising opportunities to benefit children and families facing the unimaginable.
