TAKE AIM FOR TAMPA FAMILIES!

We are excited to announce that on February 15th, 2026, Finn's Fighters will host the 2nd Annual "Take Aim for Tampa Families" Clay Shooting Event.

Finn's Fighters raises awareness of pediatric cancer and provides support for families affected by a diagnosis in the Tampa Bay area. This event matters more than ever. In the U.S., 47 children are diagnosed with cancer every day, and 1 in 5 of those families are already living at the poverty level — a reality felt deeply here at home.

After the tremendous success of our first tournament, which brought our community together in such a meaningful way, we are proud to return for Year Two. Your support helps build on that momentum, offering a family-friendly outdoor event that raises critical funds and awareness for kids fighting cancer.

Since 2019, Finn's Fighters has provided financial grants for families facing pediatric cancer — helping with rent, mortgage payments, utilities, gas, food, and other essential needs. We are a 501(c)(3) nonprofit founded in honor of Finnley Gray, a Tampa Bay first grader who bravely battled a rare pediatric cancer for 17 months before passing away at just six years old. This year marks five years without our sweet Finn, and we continue to honor his legacy through programs like Finn's Food, new-diagnosis packs, and mental health support for more than 150 individuals.

As we enter our second tournament year, 2026 marks a time of growth as we work to serve even more families through:

- Expanded emergency financial grants for families facing sudden hardships during treatment
- Enhanced new-diagnosis resource kits with educational materials and comfort items for children and caregivers
- Strengthened bereavement and mental-health support, including counseling, support groups, and long-term healing resources

As we close out our fifth year without Finn, we find purpose in knowing his legacy continues to grow — and that together, we can extend meaningful support to the families who need it most.

With Gratitude,
Jim and Christen Gray
Executive Directors and Finn's Parents
